GARBUTT, QLD., 4814.

Dear John, Rosemarie, Scott and Sandra,

Re: Congratulations on your awards.

I was very pleased to read the article in the 14th September, 2011 edition of the Ayr Advocate reporting on your successes at the recent Electrical and Communications Association's Awards held at Jupiters in Townsville.

On behalf of Burdekin Shire Council, I write to extend my sincere congratulations on your two awards. I have no doubt you were very pleased to receive the award in the Solar Installations Category, but were over the moon to receive the prestigious Bob Cooper Award.

I understand your business has been instrumental in encouraging people to install solar panels in their homes and businesses, and it is obvious your peers have recognised your outstanding contributions to the industry in this field through the presentation of the award in the solar installations category. However, the real thrill from the awards evening must surely have been the presentation of the Bob Cooper Award which is testament to your outstanding achievements in the electrical industry.

What an achievement for you! You must feel very proud of your business and its accomplishments, and you should cherish the accolades that come with recognition through these awards.

Once again, my sincere congratulations on the awards and best wishes in your future endeavours.

Yours sincerely,

A handwritten signature in black ink that reads "Lyn McLaughlin".
